

Annual Report

About Us

A home looks different for every child here in Uganda. Some are full of people that love them, but some children are lucky to find a place to lay their heads at night. In the Iganga District alone there are expected to be 5000+ orphans. Those children are currently living with people within their village or relatives. These living conditions place these children in situations that make them vulnerable to abandonment, homelessness, malnutrition, HIV Aids, child trafficking and much more.

A Safe Home for Every Child

Statement of Faith

At Whispers of Love we believe every child is valuable and precious. We believe children are made, by God, in the image of God, and for His glory.

For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. Ephesians 2:10

“I believe that a godly home is a foretaste of heaven. Our homes, imperfect as they are, must be a haven from the chaos outside. They should be a reflection of our eternal home, where troubled souls find refreshment, lonely pilgrims find communion and wounded spirits find compassion.” - Jani Ortlund

Our Impact in 2024

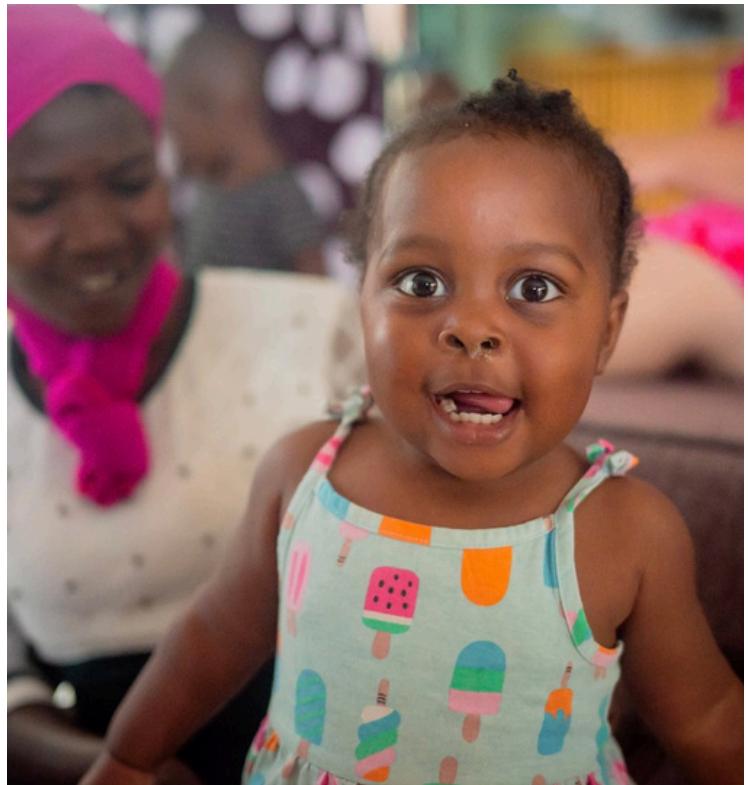

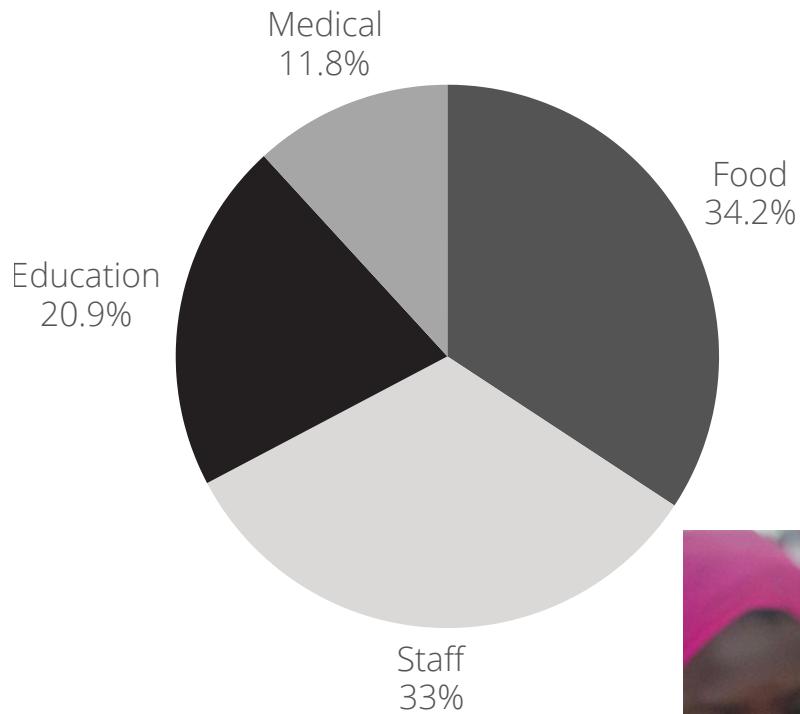

Throughout 2024 we were able to have an incredible impact on the Iganga community. Thanks to your generosity and kindness we:

- **Celebrated ONE full year in our forever home**
- **We rescued 11 children from abuse**
- **We reunited 6 children with their biological family**
- **We educated 15 children**
- Our women's empowerment program continued to grow and added a passion fruit vineyard and Mushroom project through our partnership with BOON agriculture
- Our women's empowerment program also saved \$1,500 which is being used to increase our agricultural programs and further develop our community

A Year in Review
